EXCLUSIVE!

It's *Celeb BB's* Courtney Stodden!

The saucy blonde presents her first British photo shoot!

➔ ***CELEBRITY BIG*** *Brother* this year was memorable mostly for introducing the lovely and pneumatic Courtney Stodden into our lives. The American singer and reality TV star trotted down the famous catwalk and surprised everyone – herself included – by staying in for almost the full clip, being the sixth evictee. She didn't win the show, but she did win a *Nuts* shoot which, let's be perfectly honest, is a far more prestigious accolade anyway... ▸

The new traffic warden's uniform was a bit flimsy

ALREADY TAKEN!

Courtney, 19, is married to *The Green Mile* star Doug Hutchison – who's 34 years older than her!

Chair was a bit "handsy"

WITH *NUTS* BERK RORY!

> **"Saucy shoots allow a woman to embrace her sexuality!"**

This way for more of the lovely Courtney!

The passport photo booth went off before she was ready

Hi Courtney! Enjoy the shoot?
Oh my God, it was amazing! We did black lingerie, and there was an amazing selection of underwear and different fun pieces. I absolutely adored the wardrobe.

Do you enjoy saucy shoots?
Yes, it allows a woman to embrace her sexuality and just feel comfortable and confident in her own skin.

Were you surprised when you got asked to do *CBB*?
I wasn't surprised, because I got a call from them when I was 16 to do the show, but you can't be under 18 because there's alcohol. I was surprised that they were very persistent. After I turned 18, bam!

Well, Americans are known for being terrible drinkers...
Ha-ha! I know! Especially the little blondes! I'm such a lightweight because I'm so small. They only give you the alcohol from 7pm, and you only get maybe two bottles of wine: one white, one red.

So it was like a booze holiday?
Exactly!

What was it like walking down out of the eye?
It was really strange. I'd never seen the show so I didn't know what I was getting into. I actually expected a bigger crowd, so I wasn't intimidated.

And the booing?
Well, they prepare you. People just stand out there to boo.

Which is kind of weird, right?
It is kind of fun. Because I was doing it myself when I left the house! When I was in the audience, I was like, "Boooo!" It's panto and fun, and I get that now. But they do prep you, because almost everybody gets booed. So when I walked out, it was like, all boos! It was pretty bad, but you know what, I don't take that stuff seriously at ►

She hadn't quite mastered the giraffe shadow puppet

"This chair makes a rubbish bum-scratcher"

"Who buttered this chair?"

"I'm a lightweight because I'm so small!

“Ooh, the new Head & Shoulders formula makes my hair so soft!”

all. And it didn’t affect me. I’ve had a pretty good reaction from people since I’ve been out of the *Big Brother* house.

You did really well though! Ever think you’d stay in that long?
My expectations were that I would be out in a week. I was grateful people kept me in.

Now, everybody gets asked this. You’re in a house with total strangers for three weeks. How do you manage without sex?
I don’t know how I did it. I was climbing the walls. I mean, come on! Three weeks! You have to be totally celibate, you can’t sleep with anybody. I mean, you can if you want, but I’m not going to do that.

America is obsessed by your breasts. Why is that?
Well, they are big, and they are in people’s faces, so the nation just can’t help but talk about them. Girls pad out their bras and stuff, and I went through a phase where I’d pad mine too, and wear Victoria’s Secret lingerie. Everyone was speculating, “She’s had a breast job. She’s so young.”

Was it strange, having so many people discussing them?
I got so annoyed that I went on [American daytime show] *Dr Drew’s Lifechangers* and had a live ultrasound on my breasts. And there was nothing in there. So I was like, “OK. Fine. Good. They’re natural, OK?”

So you proved they were real. And then you had them done...
Yes. After I turned 18. I already proved they were real, and never, ever said I’m not going to get a breast job.

Happy with the result?
So happy, and my husband is too. He didn’t want me to get my breasts done but I said, you’re going to support me, or you’re not – I’m having this done regardless. Jump on, or jump off, ha-ha!

And he chose to jump on!
Ha-ha! He did! ✖

Victor Moses' *FIFA 14* tips!

Match-winning tips from the Prem ace!

THE WORLD'S best-loved, and best-selling, footy game returns on Friday. So who better than a Prem striking ace, and card-carrying *FIFA* veteran, Liverpool's Victor Moses, to give you the edge on those first, tentative matches?

- *FIFA 14* is out on all formats this Friday.

INTERVIEW: JOE BARNES

1. SHOOT ON SIGHT!

Victor says: "The new 'Pure Shot' feature means you can shoot while off balance or rushed, as players adjust their stride accordingly. So you can snatch at those half chances just like a real goal poacher!"

2. NEW DEFENDING TACTICS!

Victor says: "*FIFA 14* has a great new defensive tactic in 'second chance tackles'. If you miss a tackle, you've got a crucial second chance to recover, so learn it and use it!"

R.INIESTA

3. BUILD THROUGH MIDFIELD!

Victor says: "Dribbling with the ball is much more realistic in the new game – players take bad touches or lose the ball more easily, so you need to build through midfield and pass the ball more."

4. STOP SPRINTING!

Victor says: "With more realistic dribbling and control, you need to be sparing with the sprint button – use it to change pace or to close down. Over-use it and you'll lose the ball or overshoot a challenge!"

5. PROTECT THE BALL!

Victor says: "The 'protect the ball' feature means forwards can jostle for position before receiving the ball, and hold off a defender while you wait for support. Improved AI means support will come!"

6. *FIFA* ULTIMATE TEAM!

Victor says: "Make this the year you get into *FIFA* Ultimate Team! You can build your own squad of players – Xbox One owners can play as *FIFA* Ultimate Team Legends like Ruud Gullit and Pele!"

Victor on *FIFA 14*

Hi Victor! Which team is into *FIFA* more, Liverpool or Chelsea?
Both sides play. Everyone's into *FIFA*!

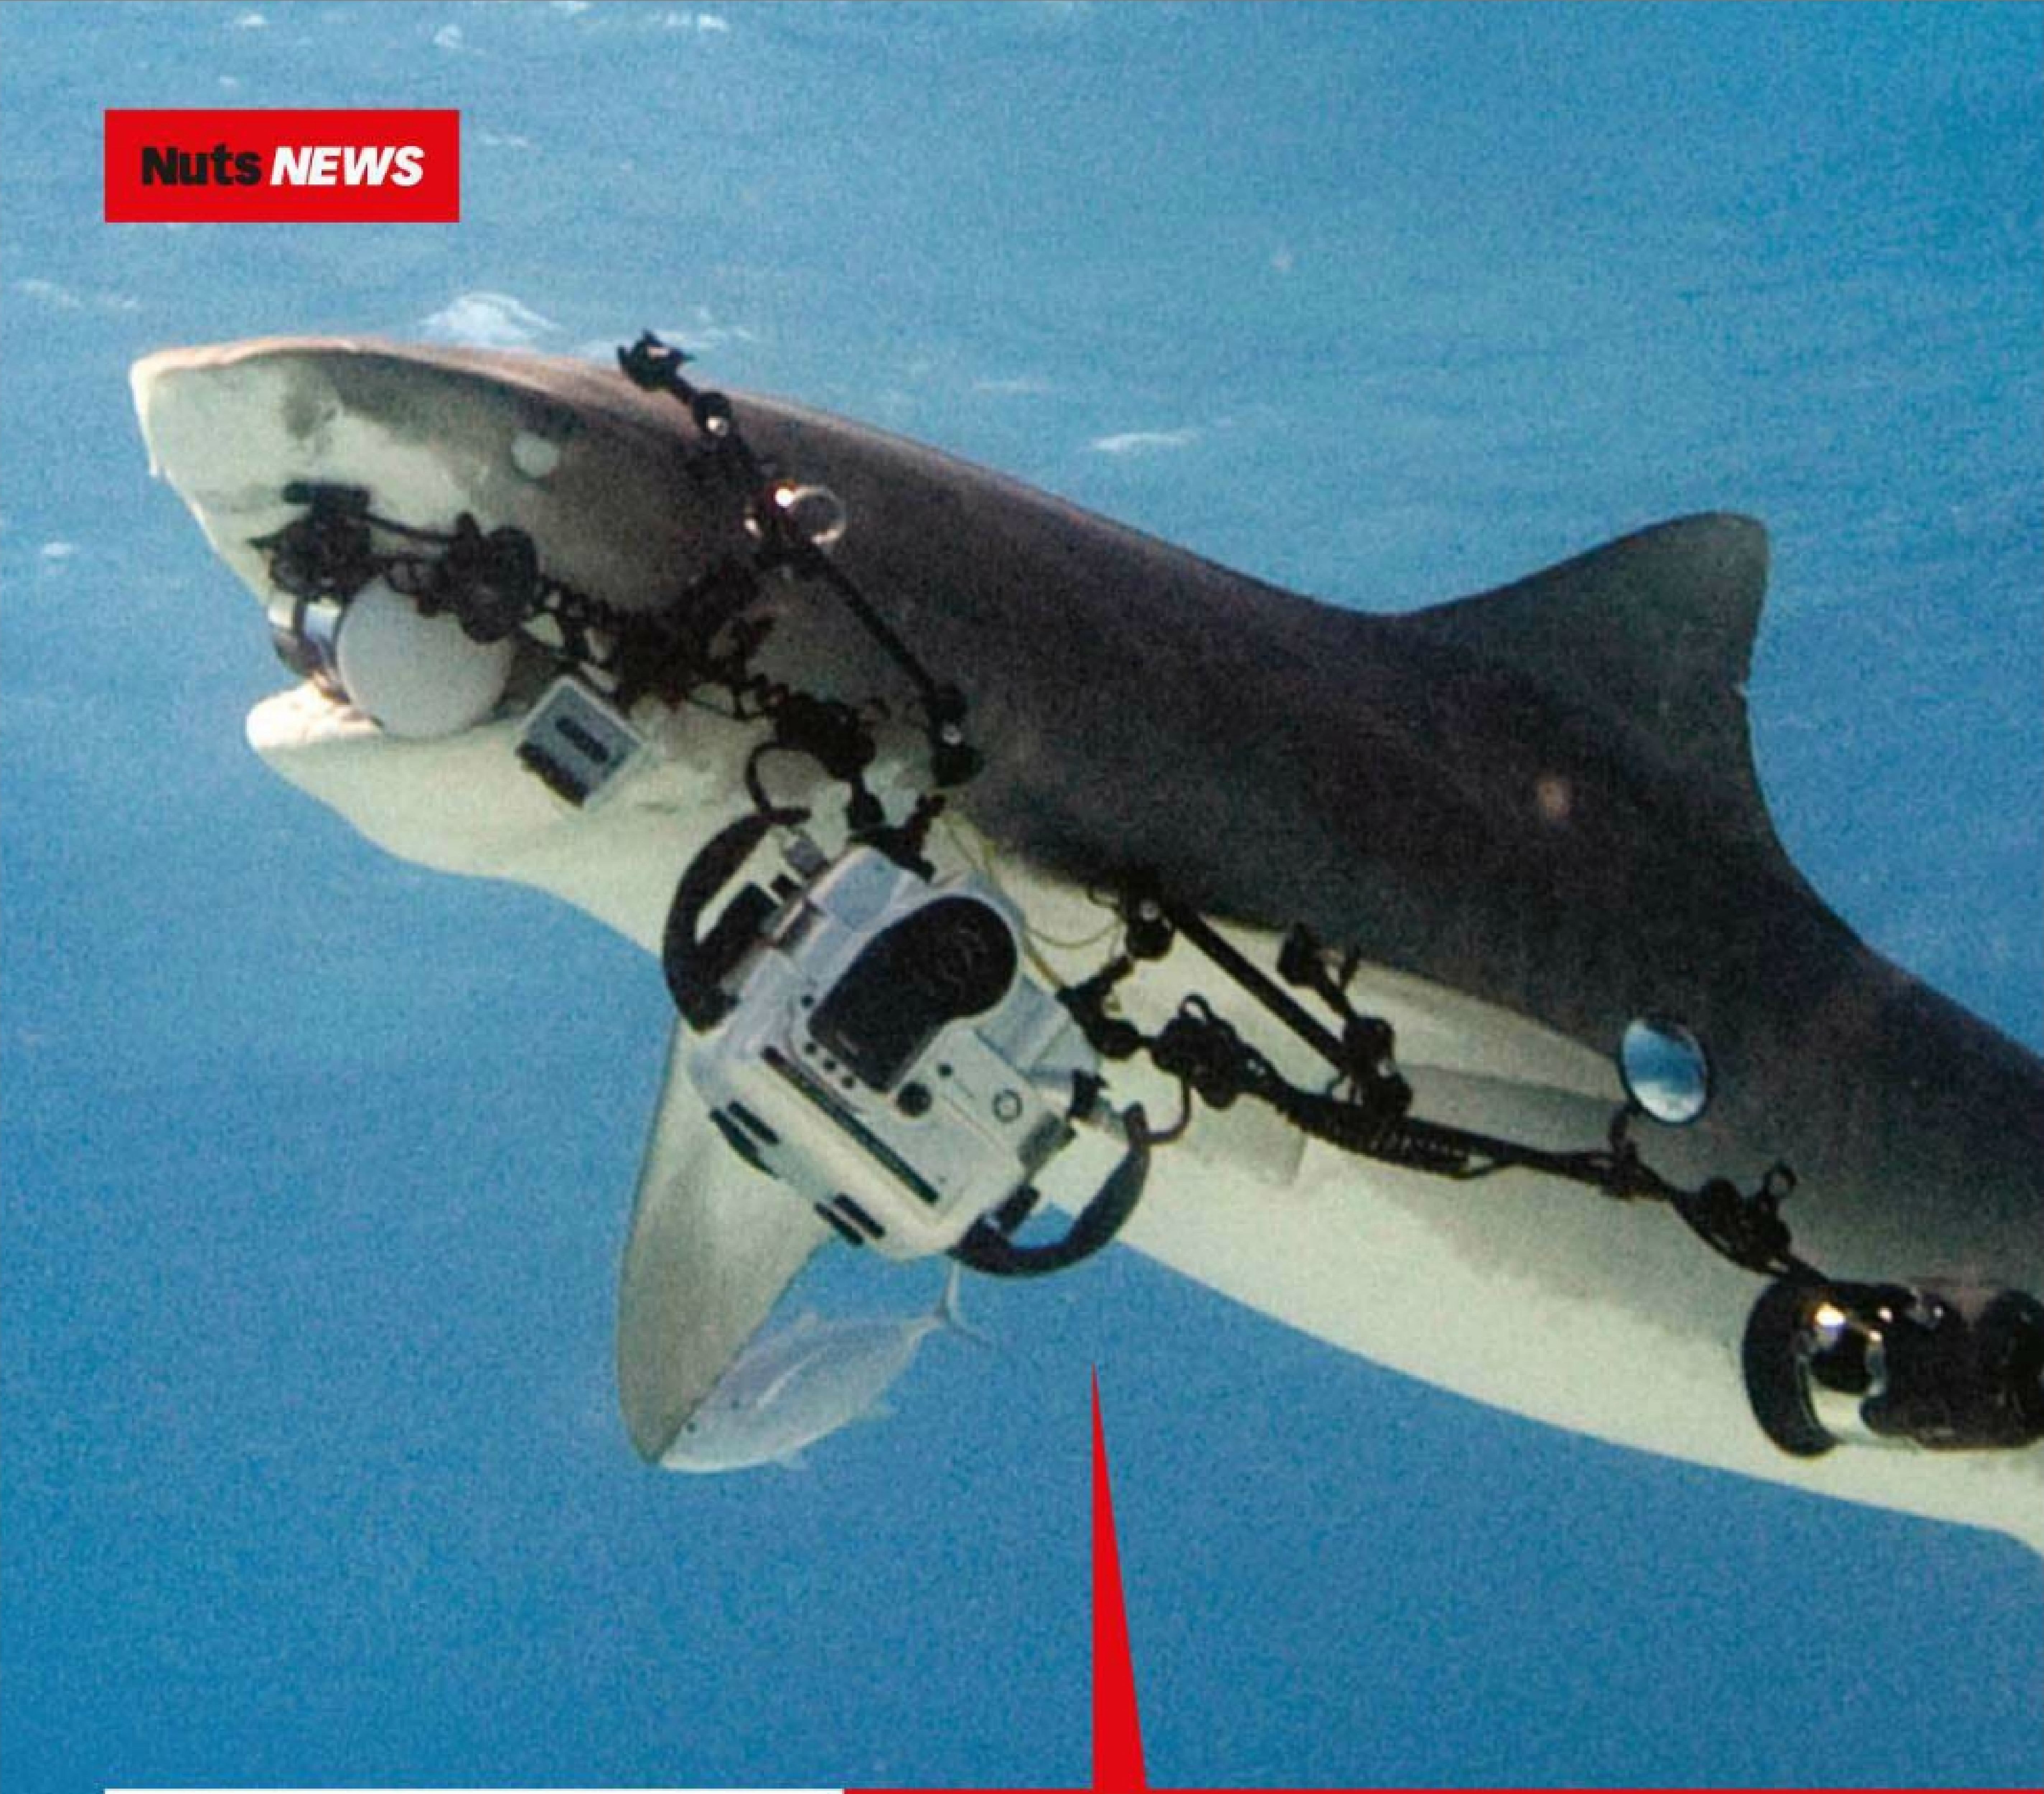
Who's the best *FIFA* player you've played?
Jamal Blackman – Chelsea's youth team goalie. He's decent! The way he plays is different from everyone else.

When a new *FIFA* game comes out, do Prem players check their stats straight away?
It's the first thing I do – I look at them straightaway.

Some players kick off about how they look in the game. Have you ever heard of such a thing?
No, I've never seen any player get grumpy over it. As long as you're in the game, that's all you want.

John Terry's *Pro Evo* mad. Can't you convert him?
I could maybe get one or two games out of him, then maybe he'll see *FIFA*'s a lot better!

Jordan Henderson told us Jose Enrique was the best at Liverpool. Do you think you could take him?
I've not played him yet but I'd like to. I'm a little bit good as well!



Shark nicks camera!

Toothy terror swims off with snapper's gear!

WHEN YOU descend into the clear waters of the Bahamas to take photos of tiger sharks, you'd be ready for a light mauling – maybe a limb or two gnawed off. But you'd expect to keep hold of your camera.

Not so for underwater photographer Miguel Lasa, who had his £11,000 camera rig stolen from under his nose by his toothy subject.

A – presumably comedic – chase ensued with Miguel eventually catching up with his gear discarded about 100m away. Incredibly, his camera was safe and sound. And a couple of sly selfies posted to Sharkbook.

"Did someone ring the dinner bell?"

It was clearly a Cockney shark

Putin pooch!

It's a woofy-woofy lookey-likey!

THE NET has unearthed another gem! This incredible snap of a Staffordshire terrier/German shepherd cross from Kiev, who looks like Vladimir Putin. One of them, of course, is barking. And the other one's a dog! Boom-boom! Here are other political doppelgängers...

Bieber photobombs!

The Canadian crooner ruins more pics!

DEAD-EYED pop twerp Justin Bieber surprised everyone by accompanying boxing legend Floyd Mayweather before and after his recent fisticuffs with Canelo Alvarez in Vegas earlier this month, where he posed for the douchiest snap ever. So we imagined some other Bieber photobombs...

"I'll be in your next video if you're in my next fight. Deal?"

THINK OF THE LOLLY, FLOYD!

Mayweather's Alvarez fight generated nearly $150m in pay-per-view revenue.

Cow on the tracks!

'Get a moo-ve on!' say commuters!

WHEN THAT bored-sounding chap sighs over a railway station Tannoy about today's far-fetched excuse for your late train, a cow galloping past isn't usually the cause. But this bonkers bovine caused an udderly-ridiculous, two-hour delay for morning commuters after escaping from a local farm and clip-clopping up the Nailsea and Backwell station in Somerset like it was some kind of milky express. The silly moo!

Self-driving Merc coupé!

The S-Class concept will autonomously whisk you around like you're a lottery winner!

- **Mercedes Benz's stunning new two-door coupé version of their tennis-court sized S-Class saloon promises to eventually be able to drive itself. Head German Dieter Zetsche claims the same car had autonomously travelled 62 miles from Mannheim to Pforzheim in Germany earlier in the year!**
- While it's officially a concept, this S-Class coupé is being tested for full production – and there's even talk of a convertible version. What that means is a frameless, two-door barge that's over 5m long and nearly 2m wide.
- **It has no central roof pillars when the four windows are rolled down, and a flowing**

"Huh, Rosie Jones gets a beach shoot, I get a disused factory!"

"Cover me up! I don't do topless"

wrap-around rear window. Bulging haunches over the rear arches, spectacular creases down the sides, slim rear lights and integrated exhausts finish the design.

- Rumoured to go on sale in mid 2014, inside it'll boast 12.3in monitors, a touch-screen instrument panel, flat-bottomed steering wheel, strokeable paddle shifters and a stereo that selects music based upon your mood. Oh, and the roof is silk lined.
- **Powering this S-coupe is a 4.7 V8 with twin turbos that achieves 449bhp and is probably good for sub-5 second to 62mph sprint and a limited 155mph top speed. All for £120k. Interested?**

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

ASK DANNI FOR ADVICE ON TWITTER!

If you want to ask Danni a question, follow her on Twitter – @Danni_Orsi

I've been a right wally!

My girlfriend found out that I'd been flirting quite a bit with a girl from college on Facebook. Some of the messages are quite saucy, but there was never any intention of following up on it. I know I've been daft, but how do I convince her it was just harmless flirting?

MATTY via email

Having a relationship while you're at college is a big commitment. Both of you are still exploring and finding out what makes each other tick, and how your relationships work. You were wrong in flirting with another girl and the way to talk it through is to apologise. But if you really think that you can't stop being cheeky with other ladies, you're better off single for the time being, Matty!

LETTER OF THE WEEK!

We'd like holiday fun!

Me and my girlfriend are going away to my parents' villa in Spain for a few days. We're both really looking forward to it, but in particular, I'd like us to use it as an opportunity to try out some new things in bed. Do you have any suggestions for what we could get up to or the kind of things I should be packing?

BRYAN Harrogate

If there's a swimming pool, naturally you'll need to make the most of that whenever you can. Perhaps you could persuade your girlfriend to perform an underwater striptease for you. Don't bring anything rubbery, though – it'll probably be too hot for "dress-up". Really, you want to experiment with being loud with each other in a place where it's just the two of you. You don't want any interruptions – just passion. Unleash, Bryan!

I want to experiment!

Is there any way of introducing a spot of "bottom fun" into the bedroom without it being too full-on? I've never tried it before but my mates are always on about it. Any suggestions?

JED Surrey

Introduce lots of lube into the bedroom, for you and her. Once you're both comfortable slipping and sliding over each other, things will naturally fall into place! Make sure you never rush a woman – when she's ready, she'll give you persuasive indications.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p60.

Holly Peers!

The Manchester minx helps us to forget that summer's over!

HOLLY PEERS

HOLLY PEERS

"I'm dead proud of my new calendar!"

Hi Holly! It looks like summer's over. Did you have a good one?
Oh yeah, brilliant – I've been away and done some great jobs. Portugal, Ibiza, Marbella...

Did you follow the *TOWIE* maxim of "no carbs till Marbs"?
Yes, but every time I get drunk, I end up in a kebab shop!

Did you enjoy Marbella?
I didn't like it. If you go out in Manchester, you see those same people in Marbella!

Where else have you been?
I went to Ibiza which I love. I was there with India and Rosie.

Who's the biggest party animal out of the *Nuts* girls?
That'll be me, Rosie or India. We chase each other around, throw ice cubes at people and get out of control!

Now summer's over, what are your plans for the autumn?
Hopefully a modelling trip to somewhere warm!

Do you feel sexier at this time of year?
I wouldn't say that – I doubt people will fancy me in a oversized jumper and a beanie!

You'd be surprised...
Ha-ha! Anyway, I've got no fella to impress at the moment.

What sort of fellas do you like? Is status important?
No, people with money are often tw*ts. I want someone with a good sense of humour.

Are you wild in the bedroom?
Of course! If I'm with a person I like, I'm certainly not boring.

We see a lot of you on social media. What's the attraction?
It's good for genuine fans. I like Instagram best.

Finally, we caught of a glimpse of your calendar...
I'm dead proud of it! It was shot in Portugal. ✖

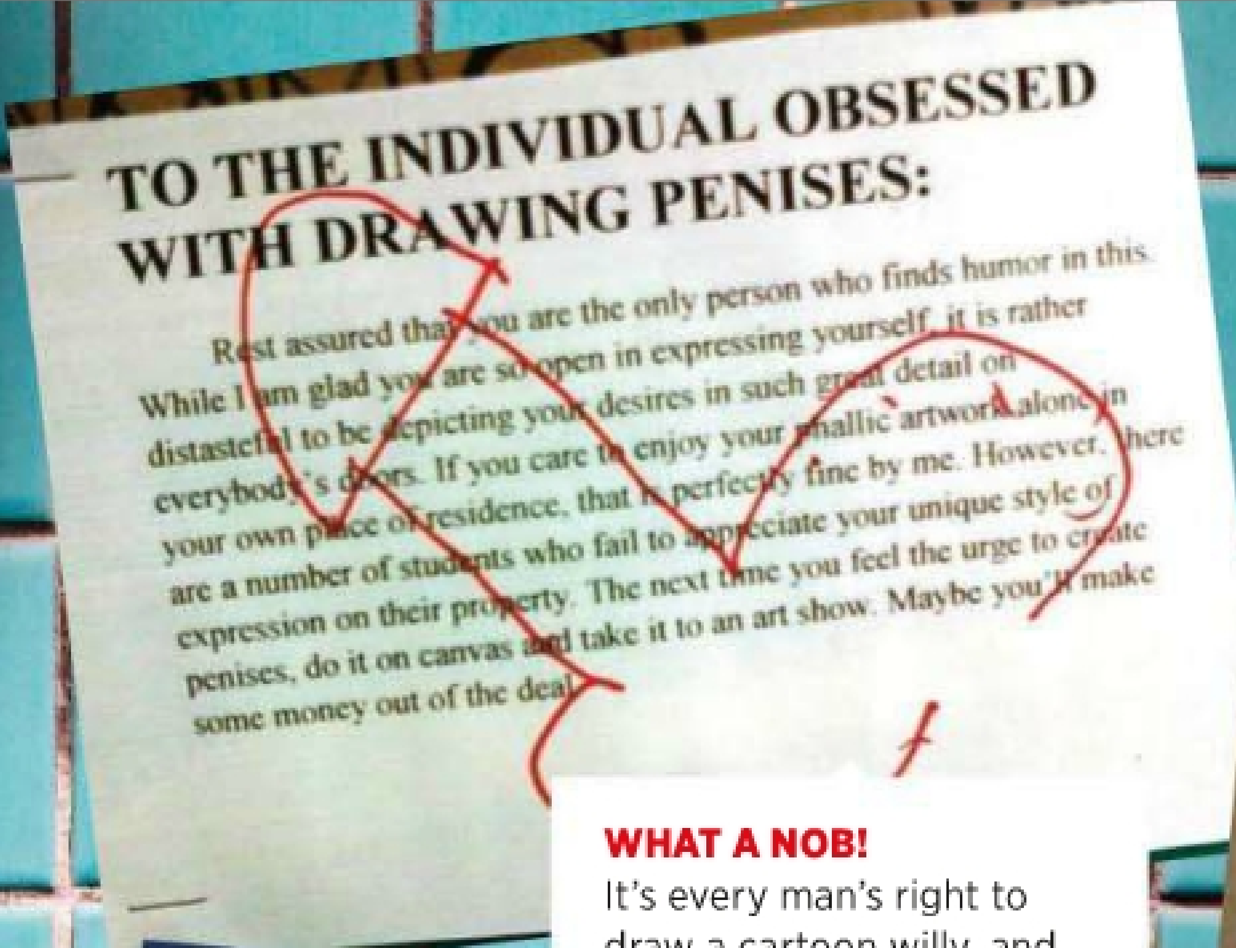
FLATMATE FUNNIES



TO THE INDIVIDUAL OBSESSED WITH DRAWING PENISES:

Rest assured that you are the only person who finds humor in this. While I am glad you are so open in expressing yourself, it is rather distasteful to be depicting your desires in such great detail on everybody's doors. If you care to enjoy your phallic artwork alone in your own place of residence, that is perfectly fine by me. However, there are a number of students who fail to appreciate your unique style of expression on their property. The next time you feel the urge to create penises, do it on canvas and take it to an art show. Maybe you'll make some money out of the deal.

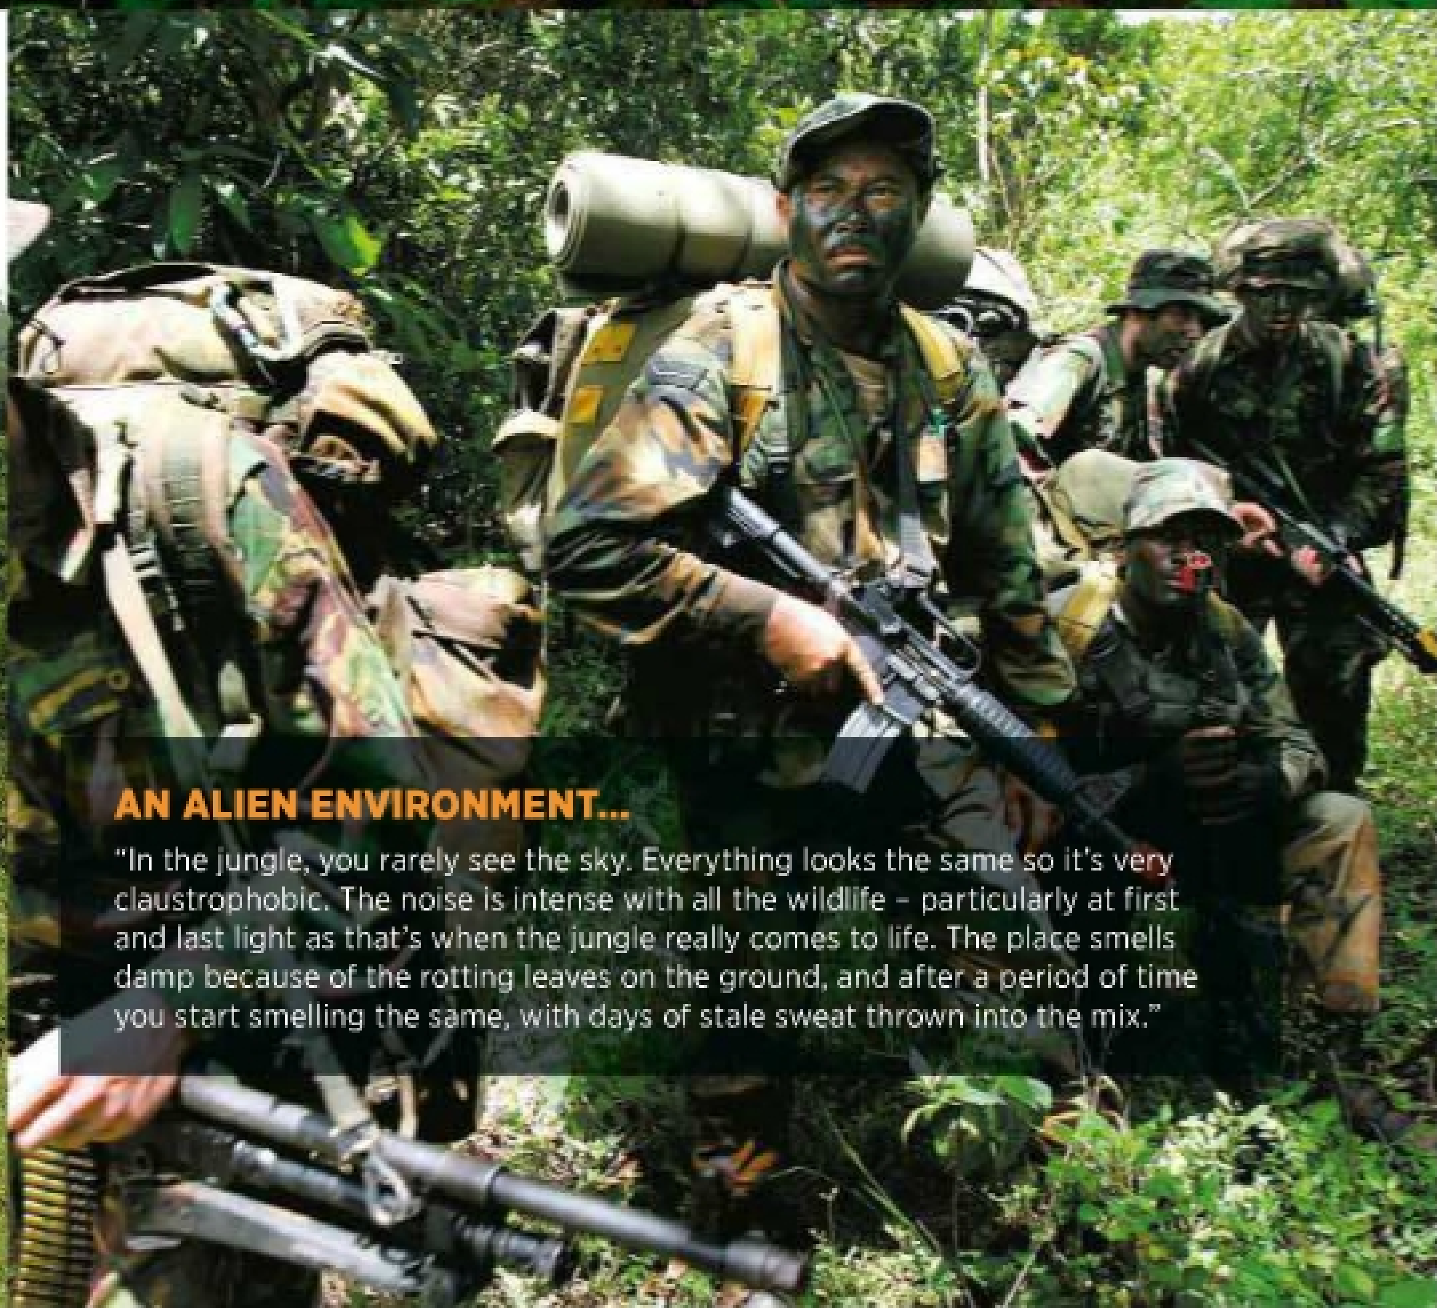
HOW TO SURVIVE THE JUNGLE!

An expert shows *Nuts* how to survive in the jungle the British Army way...

THINK OF Afghanistan, and you'll think of dusty deserts and wide, open plains. In the Green Zone, however, things are different. This area either side of the Helmand River is as dense and lush as a jungle – hence its name – and as any soldier will tell you, fighting in a jungle is a daunting prospect. *Nuts* asked Col Sgt Andy Waddington, an expert with the British Army Jungle Warfare Training School, how our troops prepare to fight, and survive, in such a deadly environment.

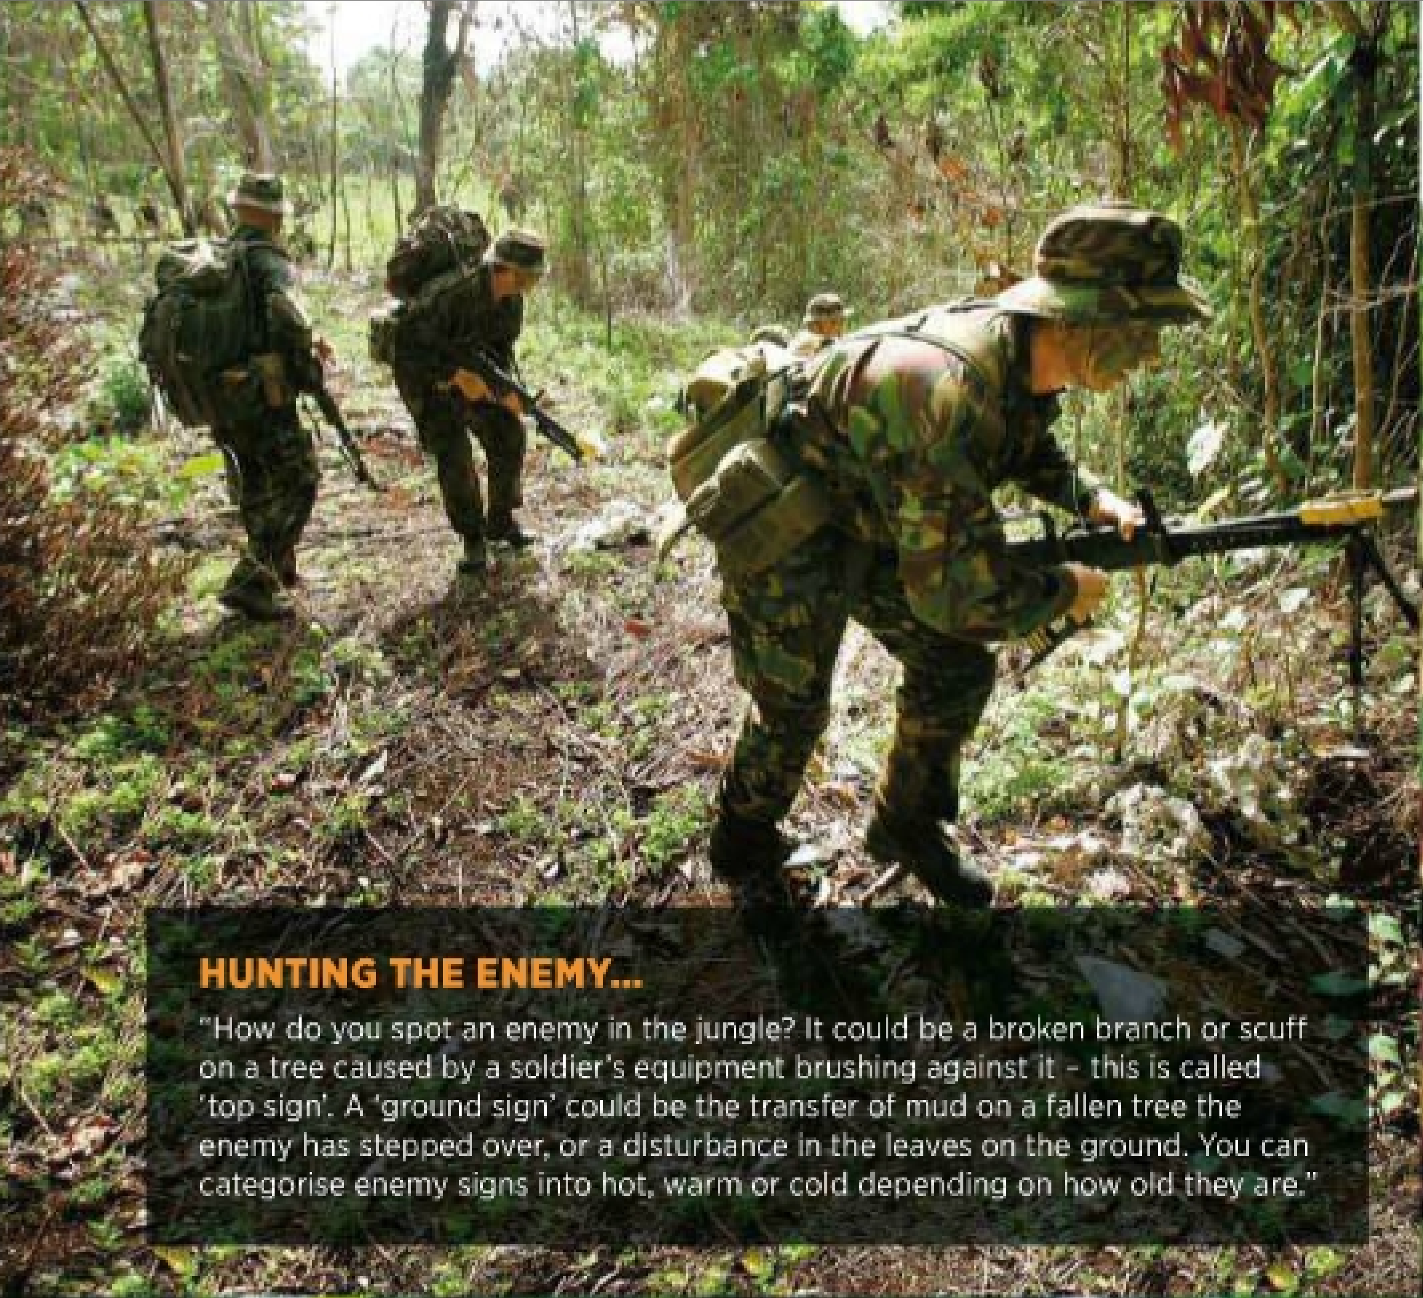
ONE WAY IN, ONE WAY OUT...

"These pictures were taken of soldiers training in Jamaica and they show how tough conditions can be in a jungle. The experience is very intense as there's a feeling of isolation. The only way in and out is by helicopter, which can give a real sense of foreboding. It's not unusual for a jungle patrol to cover as little as three to five kilometres a day due to the demanding nature of the terrain."



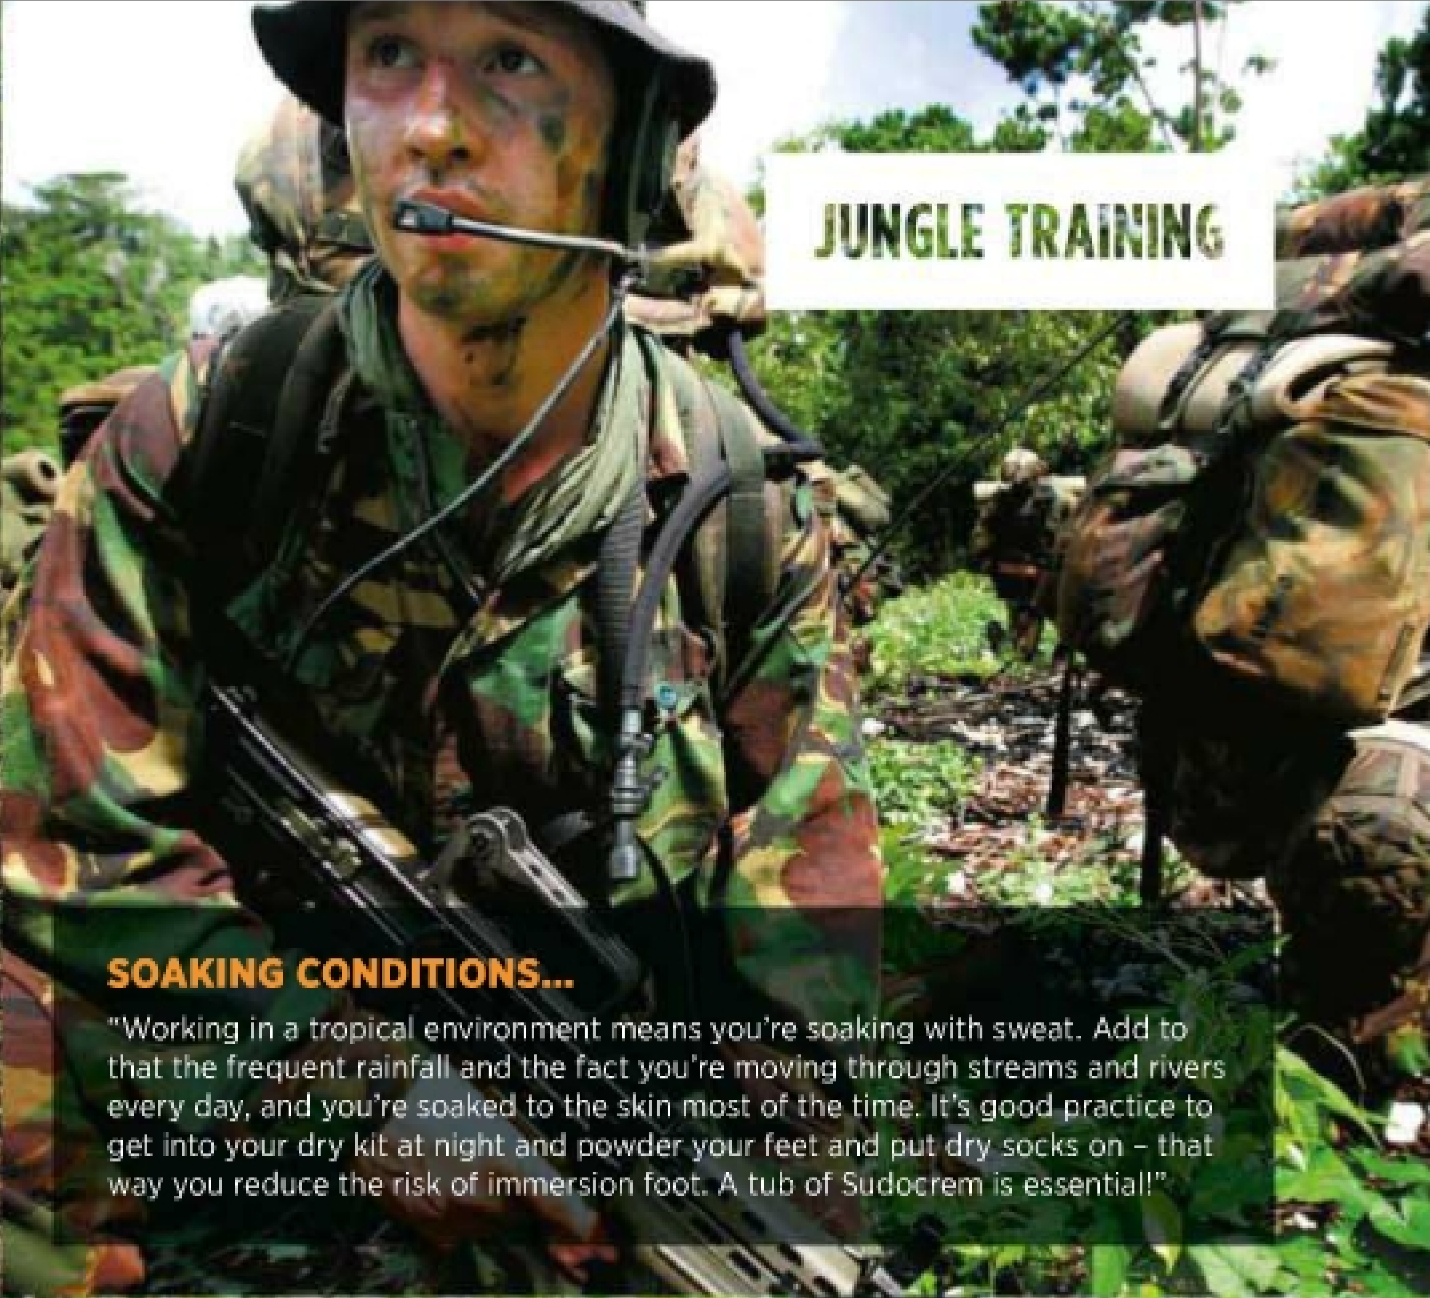
AN ALIEN ENVIRONMENT...

"In the jungle, you rarely see the sky. Everything looks the same so it's very claustrophobic. The noise is intense with all the wildlife – particularly at first and last light as that's when the jungle really comes to life. The place smells damp because of the rotting leaves on the ground, and after a period of time you start smelling the same, with days of stale sweat thrown into the mix."



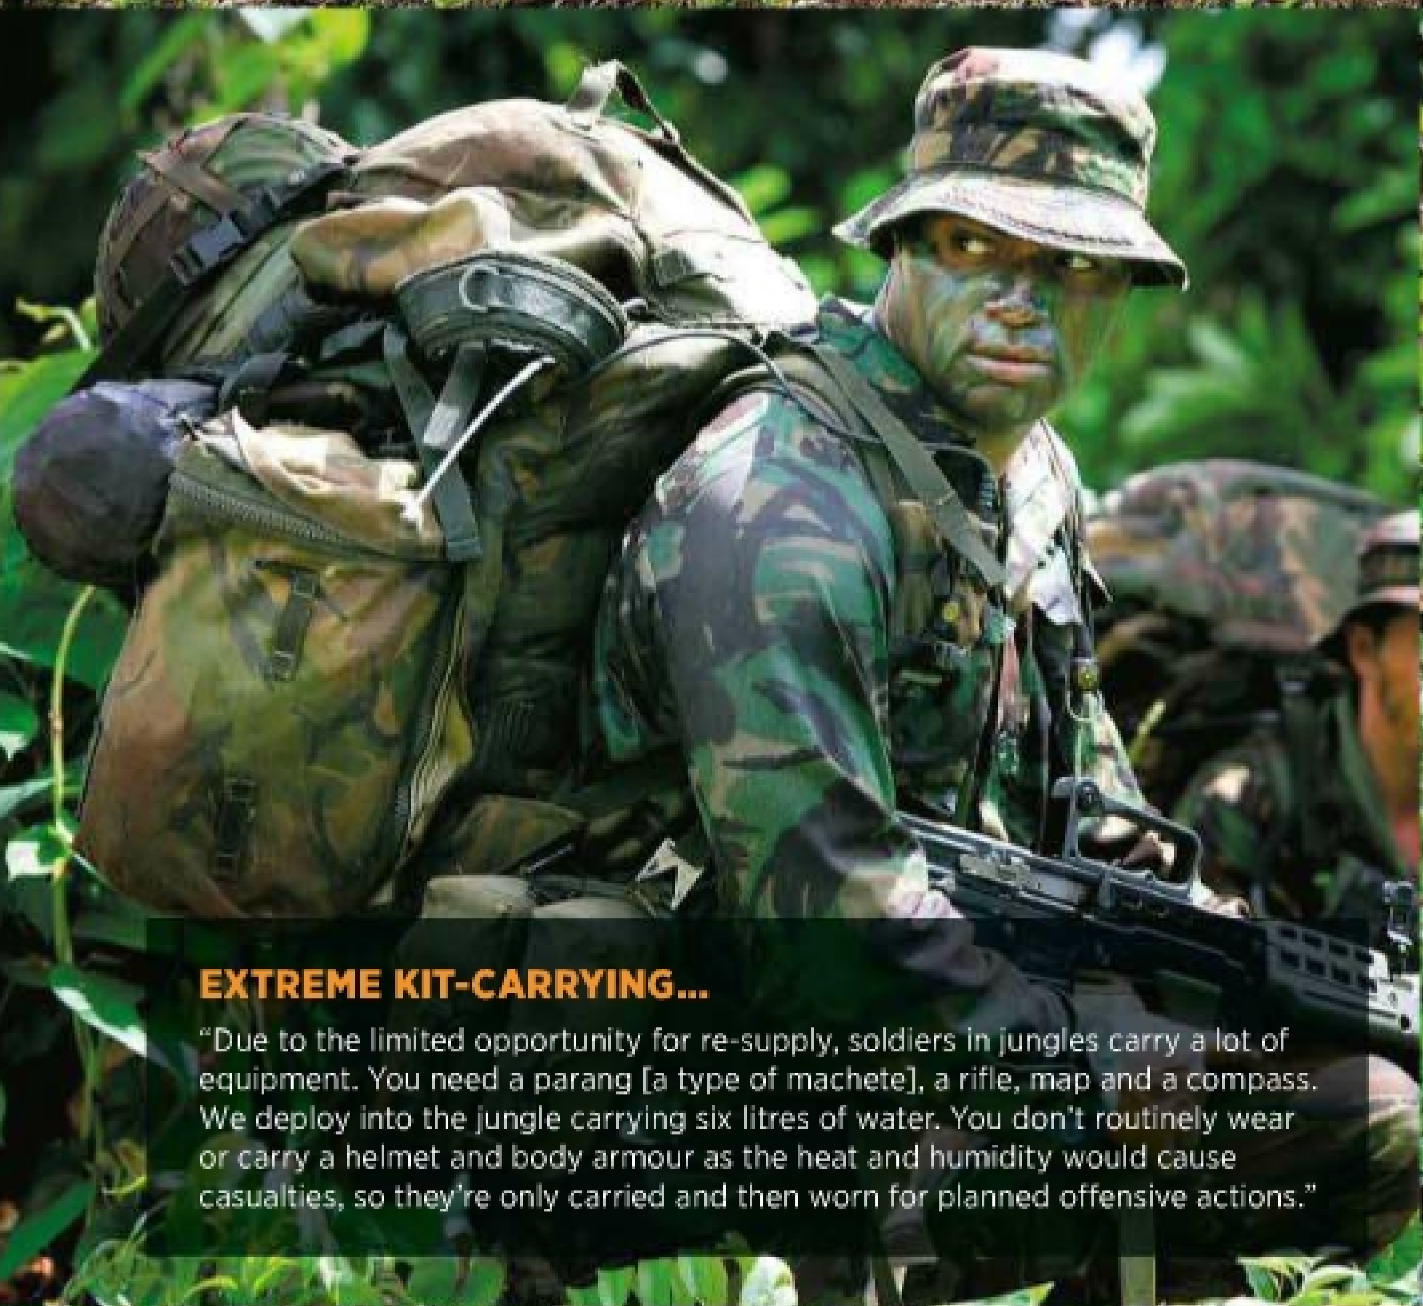
HUNTING THE ENEMY...

"How do you spot an enemy in the jungle? It could be a broken branch or scuff on a tree caused by a soldier's equipment brushing against it – this is called 'top sign'. A 'ground sign' could be the transfer of mud on a fallen tree the enemy has stepped over, or a disturbance in the leaves on the ground. You can categorise enemy signs into hot, warm or cold depending on how old they are."



SOAKING CONDITIONS...

"Working in a tropical environment means you're soaking with sweat. Add to that the frequent rainfall and the fact you're moving through streams and rivers every day, and you're soaked to the skin most of the time. It's good practice to get into your dry kit at night and powder your feet and put dry socks on – that way you reduce the risk of immersion foot. A tub of Sudocrem is essential!"

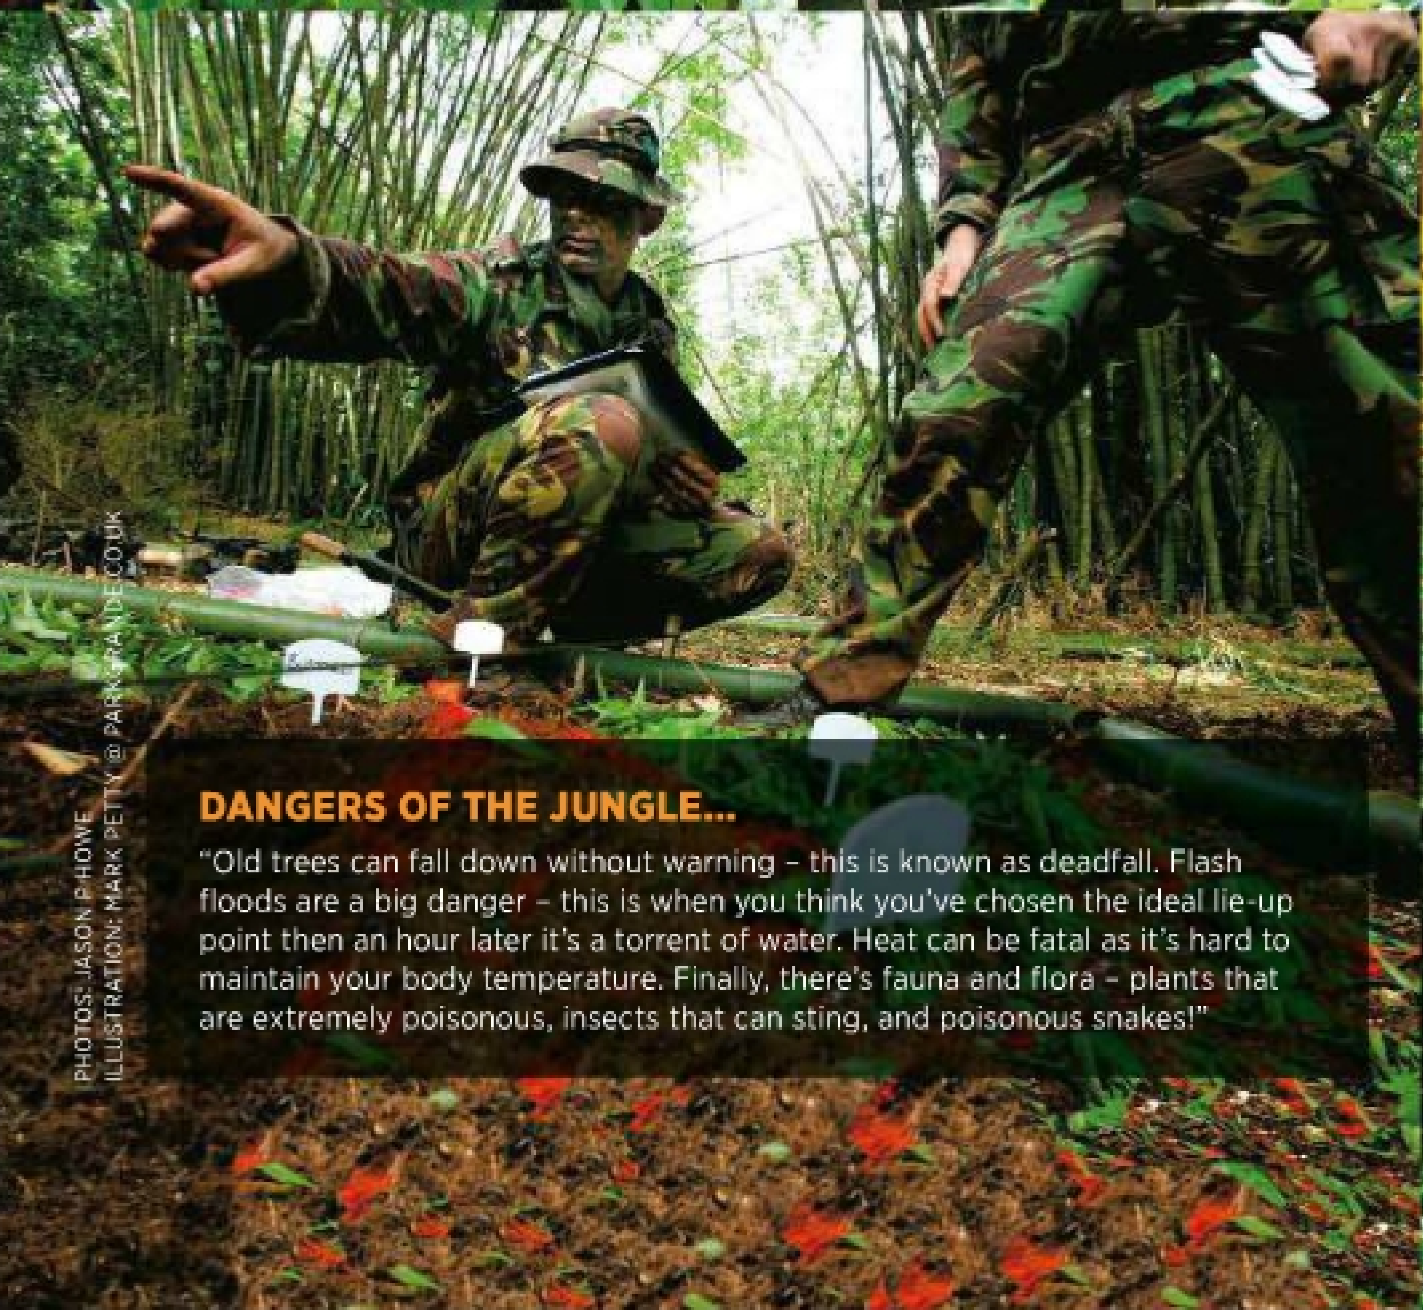


EXTREME KIT-CARRYING...

"Due to the limited opportunity for re-supply, soldiers in jungles carry a lot of equipment. You need a parang [a type of machete], a rifle, map and a compass. We deploy into the jungle carrying six litres of water. You don't routinely wear or carry a helmet and body armour as the heat and humidity would cause casualties, so they're only carried and then worn for planned offensive actions."

REFUELLING...

"We teach cutting water vines to set traps to catch animals to eat. However, this is only in a survival situation. When operating normally, we're given ration packs. You get plenty of boil-in-the-bag meals which equate to 3,000 calories. We replenish water from streams and rivers, and use water purification tablets to make it safe to drink. We also get isotonic drinks in our ration packs."



DANGERS OF THE JUNGLE...

"Old trees can fall down without warning – this is known as deadfall. Flash floods are a big danger – this is when you think you've chosen the ideal lie-up point then an hour later it's a torrent of water. Heat can be fatal as it's hard to maintain your body temperature. Finally, there's fauna and flora – plants that are extremely poisonous, insects that can sting, and poisonous snakes!"

SELECTING A SAFE SLEEP SPOT...

"As a rule, you sleep in a hammock as it's not a particularly good idea to sleep on the floor due to all the insects, ants and, of course, leeches. Animals at night can be curious but tend to keep away. Snakes tend to hear you coming through vibrations on the ground and get away from you. Unless they're territorial like the king cobra – that can be a different story!"

EXCLUSIVE!

Holly Hagan!

In bed with the *Geordie Shore* saucepot!

SIGHT FOR SHORE EYES

Yes, *Geordie Shore* is about Newcastle, but the gang have also been to Sydney, Mexico and Magaluf.

HOLLY HAGAN

> “I feel like part of the *Nuts* family now!”

Hello Holly! You look awesome today. Do you feel awesome? I do! I've been having loads of fun today. It doesn't feel like two minutes since I was last in *Nuts*. I feel like I'm part of the family now, which was always my dream, to be honest.

What did you make of fellow *Geordie Shore* scamp Charlotte's *Nuts* debut last month?
Charlotte will tell you herself that she doesn't enjoy being the centre of attention, so for her to do a cover shoot was not in her nature at all. But she looked really amazing!

Did you give her any pointers?
No, she kept it quiet! It's great, because she's always seen herself as "the funny one" and seen me as "the sexy poser" – we all play our own little roles – but she pulled it off, big time.

What's new in *Geordie Shore*?
I think people might get to see a different side to me. We've got a new girl in now who seems to be causing drama. And I think before we started filming, we were a bit sick of drama. We just want to make it as fun as possible.

Does that mean you feel under pressure to stir up trouble a bit?
Well, we've agreed there'll be more of a balance of proper fun and madness along with the drama people love. But I still get nervous when I watch myself on telly. I get anxiety and butterflies – it's awful!

Who do you watch it with?
I watch with my mum and my mates! Everyone comes around to my house for it, and if I know what's coming up, I'm like, "Oh sh*t, look away!" But everyone loves it. Sometimes they cover their eyes with a cushion... but it's all good!

After Australia, are you pleased to be back in Newcastle?
Well, I'm not from Newcastle so I don't care! ▶

"I get nervous watching myself on telly!"

“In reality, my bedroom is always messy!”

Hang on, you're not technically a Geordie, are you?
That's right. I always get strung up in Middlesbrough. We're Smoggies – not Geordies!

The theme of this shoot is "In bed with Holly". How would you sum up being in your bed?
It depends who's in bed with me! If it's a nice boy, we'd probably cuddle and play fight – that's what people would like to imagine. In reality, my bed is always quite messy.

If *Nuts* said we're coming over for a spot of spooning, are you big spoon or little spoon?
Ha-ha! I haven't had a fella in a long time, so I've forgotten what it feels like. If a bloke tried to spoon me now, I'd be like, "Eugh, get off me!"

How can a chap improve his performance in the bedroom?
As long as you give the impression you're in charge, you'll be fine. And be gentle with me – I'm not a doll! You wouldn't like me grabbing your ball sack, so treat my lady bits the same, please.

Ouch! Which saucy scene really stands out from the numerous seasons of *Geordie Shore*?
There was a time in Mexico with me and James. It was the last night, and Gary and Charlotte were upstairs having sex, while me and James were in the bathroom shagging. We were literally having sex for about four hours. I didn't realise that the cameras got it all – or the noises at least!

Are you a fan of bathroom sex?
Yes – if you get bent over the sink you can also look in the mirror. That's a good angle.

Do you ever read the *Nuts* Ten Rude Questions feature?
No, but I want to have a go! Read me a few out...

OK, here's one: What's your favourite position?
With me on top, I can be a bit of a dominatrix. I can use my leathers, whips and all that ►

“I’ve got a drawer full of toys in my bedroom!”

kinky stuff. Boys get a bit freaked out by it, but I think it's become a bit more acceptable since *50 Shades*!

Have you ever got it on with another girl?
Yes, me and my best friend did a bit more than kiss – I'll leave the details to your imagination!

One more – have you ever made a naughty video of yourself?
On my old phone, there's loads! I've lost the battery so I can't watch them any more, but the last time I watched it back I was impressed.

In fact, didn't you once say that you're better at sex on camera?
Yeah, because if you know you're being recorded, you give it your all. If you're in bed in the *Geordie Shore* house and you know that there's seven people in the control room watching you, you're going to put in a bloody good job!

Fair enough! If we went rooting through the drawers in your bedroom, what would we find that might make us blush?
I've got a drawer full of toys in my bedroom. Some of them are better than the real thing!

Can you recommend a good one for beginners?
Don't be scared to introduce a toy into the bedroom with your girlfriend. Maybe a slimline rabbit or a little bullet is good for first-timers. Funnily enough, there's a moment in the new series where I teach Charlotte some new tricks!

Holly, this has been a pretty rude interview. Before we go, what's the rudest thing you've ever done?
Probably the first time I had a threesome with two boys. Everyone has to try that. I feel like if I died now, I'd die happy because of that. It was great! ✖

Chapter I

AN UNEXPECTED PARTY

In a hole in the ground there lived a hobbit. Not a nasty, dirty, wet hole, filled with the ends of worms and an oozy smell, nor yet a dry, bare, sandy hole with nothing in it to sit down on or to eat: it was a hobbit-hole, and that means comfort.

It had a perfectly round door like a porthole, painted green, with a shiny yellow brass knob in the exact middle. The door opened on to a tube-shaped hall like a tunnel: a very comfortable tunnel without smoke, with panelled walls, and floors tiled and carpeted, provided with polished chairs, and lots and lots of pegs for hats and coats—the hobbit was fond of visitors. The tunnel wound on and on, going fairly but not quite straight into the side of the hill—The Hill, as all the people for many miles round called it—and many little round doors opened out of it, first

10 RUDE QUESTIONS!

And a real girl to answer them!

Holly

19 Aberdeen

1 Where's the strangest place you've had sex?
"During summer a couple of years ago, I was relaxing on a beach in Spain. I don't know what came over me, but I just had an idea to do it there and then. I don't remember many people being around, but I didn't stop to check!"

2 What's your trademark move in the bedroom?
"There's this one little trait I've been told that I have. Basically, when I'm on top having sex with someone, I tend to bite my lip. I do it without noticing now, but I'm told it's a real turn-on!"

3 What really turns you on?
"I can't resist some dirty talk with a guy, no matter where I am. I also love a good bit of rude sexting with someone I like – it still counts as dirty talk, and it's almost as fun as it is in person!"

4 Is it better to give or receive?
"I really love to give, but now that you make me think about it, receiving's always better!"

5 What's your favourite position?
"I have a few different ones that I really love, but I'd have to say doggy is by far my favourite. I take much less control with this position – it's more spontaneous. That's what I like about it!"

6 What one thing would you like to try but haven't yet?
"You know, I've always wanted to be tied up in a cheeky but fun way during sex. It would be a good tease and release a bit of my kinky side!"

7 Have you ever got it on with another girl?
"Actually, yes, I have! In all honesty, I still do rude things with girls – I just love it!"

8 What's your favourite sexy outfit?
"I have lots of really naughty clothes to choose from in my bedroom, but I've always quite enjoyed dressing up as a sexy secretary."

PHOTOS: TOM SERGEANT

9 Have you ever made a rude movie?

"No, not yet, but I've thought about doing it with my other half. That idea excites me very much!"

10 What's the rudest thing you've ever done?

"I once handcuffed someone to the bed before sex, then proceeded to whip and tease them. I've been known to have some pretty naughty thoughts!"

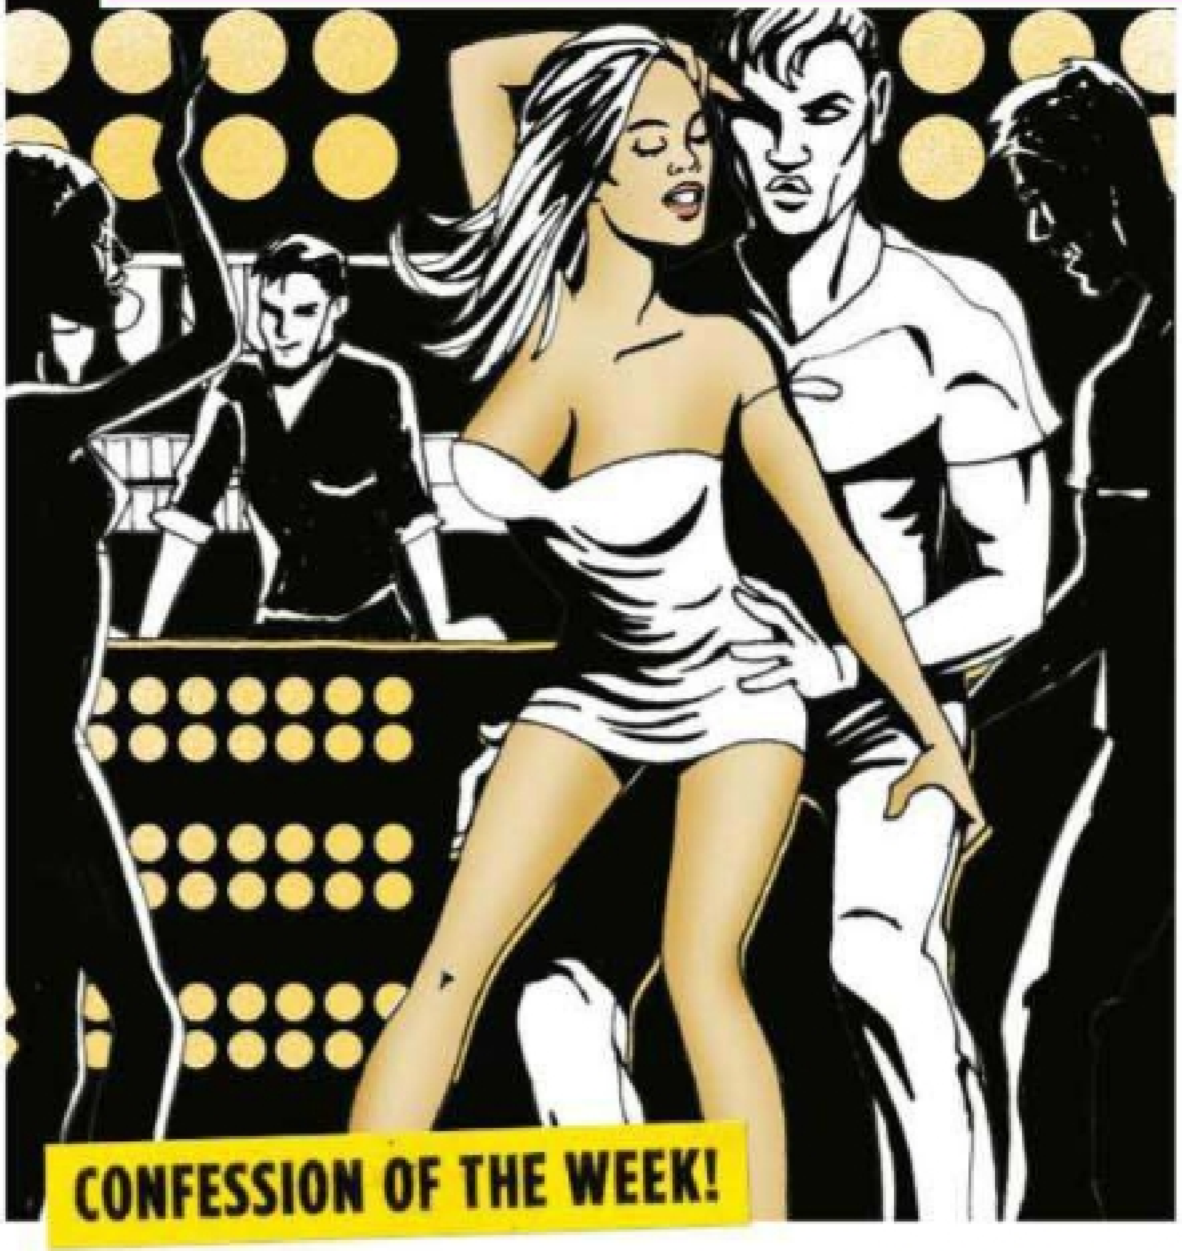
LADIES CONFESS!

TO OUR SECRETARY!

Racy revelations from our female readers!



CONFESSION OF THE WEEK!

‘Naughtiness in the nightclub’

I’D BEEN seeing a guy for a while and one weekend, he said he was going out into town for a boys’ night with his mates. I had a night out planned with the girls but had no idea we’d all end up at the same club. As I was dancing, I suddenly saw my boyfriend watching me from the bar. He walked towards me with a really hot look in his eyes, danced with me from behind and began to kiss my neck and talk dirty in my ear. We found a darkened corner of the club where we had the most intense sex ever. What a great night!

Poppy Hertfordshire

‘I gave him a flash’

MY BROTHER’S best friend is training to be a photographer and, knowing I used to do a bit of modelling, he asked to take some sexy pictures of me for his portfolio. I went to his studio with my sexiest lingerie and stockings packed for the shoot. Once we got going, I really got into it. The directions became more risqué and, before I knew it, I was pleasuring myself in front of him! I felt so naughty and horny and I could see the bulge rising in his tight jeans. I asked him to come and join me on the bed. He kissed me all over, licking and stroking every inch of me. I never told anyone about our studio secret!

Jody Leyton

‘My girl-next-door fantasy’

MY NEIGHBOUR had just started seeing a new guy so came over to talk “boys”. After a few glasses of wine, we started to chat about what turned us on and I felt the mood getting more intense between us. We started to get a bit touchy until, eventually, I could hardly keep my hands off her boobs. They were so soft and it was lovely to be able to touch another woman. She laid me down on the sofa and stripped me of my wet French knickers. I’ve never had oral sex quite like it – she knew all the right spots and the exact pressure to use her tongue. It wasn’t long before I came, and decided to return the favour. Tasting her in my mouth and hearing her moan with delight sent me wild. I can’t wait to invite her over again!

Ladies, got a saucy secret you can’t keep to yourself? Send your sexy story to our Lou!

‘*Nuts* mag inspired us’

MY FELLA came home one afternoon and brought a new copy of *Nuts* with him. He settled on the sofa – shirt off – and started reading his way through. I joined him and I saw he was grinning at the Ladies Confess page. I decided to have a read of the rude stuff to see what all the fuss was about. Some of it was very saucy and got us a little bit hot under the collar. We suddenly gave each other a naughty look so I grabbed him for a couple of quick rounds of pure hot passion in the bedroom. After dragging him upstairs, I let him rip my clothes off while he tore his pants off at the same time. He threw me down on the bed and I was soon in heaven as he thrust deep inside of me, making me instantly scream out loud. Thanks a lot, *Nuts*!

BIG FIGHT SPECIAL!

Haye: 'Fury has to be insane!'

The big man talks to *Nuts* about tipsy trash-talking and sparring with Justin Bieber!

INTERVIEW: NICK WATKINS PHOTOS: ACTION IMAG

➔ **Hi David! How's training going for the big fight?**
Good! I'm always in fighting shape even when I'm out of the ring. I'm just looking forward to doing a job on Tyson Fury. My training has been the same as normal as I don't see him bringing anything to the ring that I haven't dealt with before.

Can you compare this bout to the Nikolay Valuev fight?
No, you can't because this guy is more of a brawler than a boxer. This will be a more entertaining fight because he'll be swinging at me a lot more and trying to rough me up. I've got a remedy for that so there's nothing to worry about.

Can you take Fury's trash-talking seriously?
I can't take him seriously let alone his trash-talking. He's said he's the greatest boxer that's ever lived and that will ever live. They're his words, and he wasn't even drunk when he said them! Anyone who says stuff like that must be insane. He hasn't fought anyone of any note, if you look at his record. His last fight was against a cruiserweight and he got put down. Who else has he faced? Nobody. But if he's got the energy to lift his hand off the canvas after the fight, I'll shake it.

He told us he's not going to shake yours...
I'd be surprised if he physically can after the beating I'm going to dish out to him anyway!

Why were you sparring with Rita Ora recently?
She came down to my gym, and we had a good workout. She's probably got better movement than Tyson Fury, as she was pretty quick around the ring. I think she'd give him a run for his money at boxing, for sure.

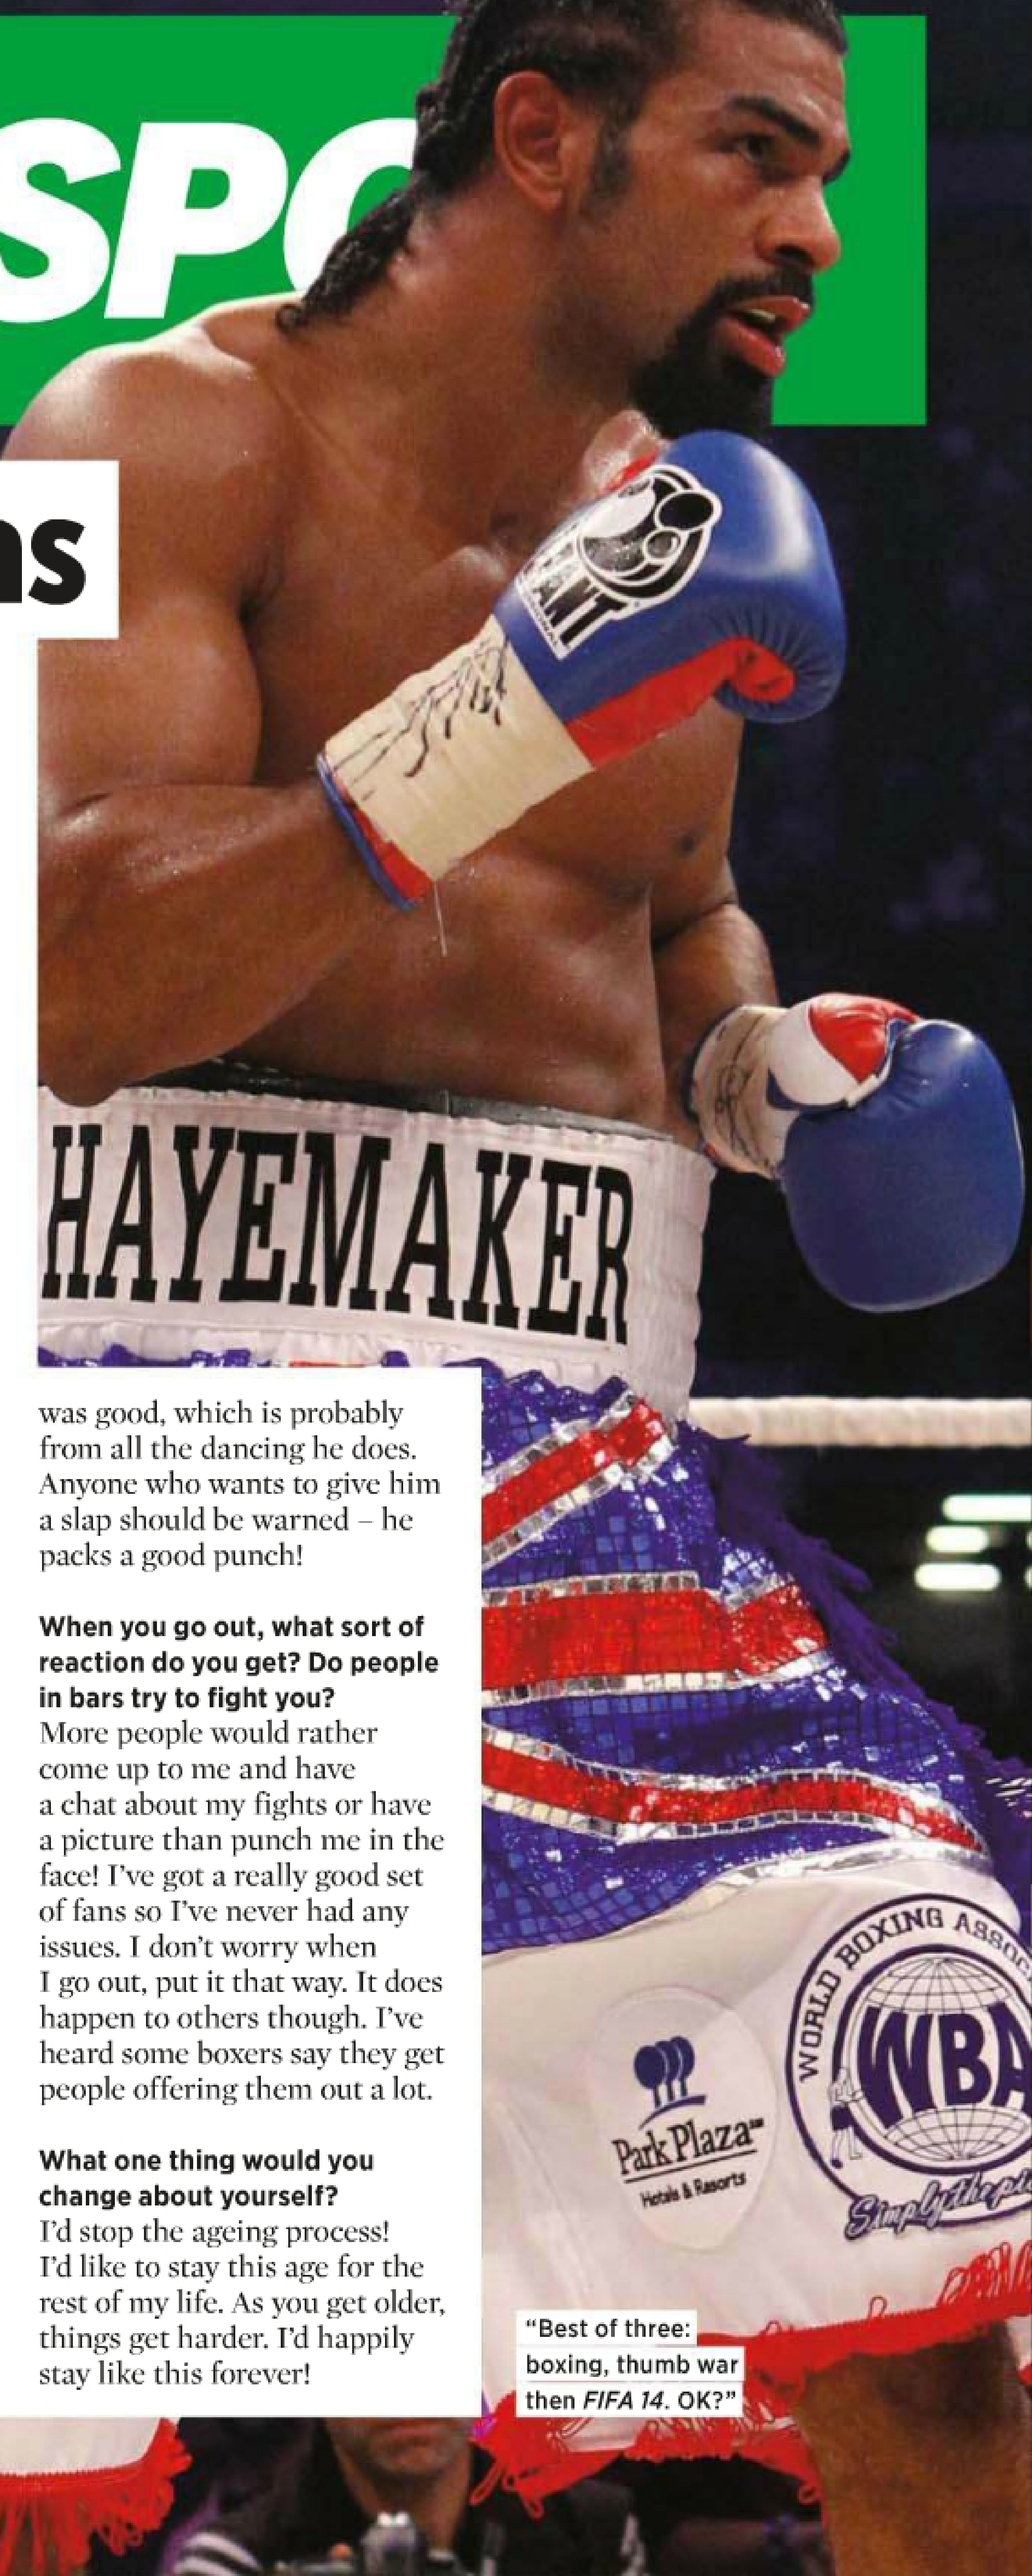
You've also had Justin Bieber in the ring at your gym. Was he annoying?
Ha-ha! He was alright. He punched a lot harder than people would think. His movement around the ring was good, which is probably from all the dancing he does. Anyone who wants to give him a slap should be warned – he packs a good punch!

When you go out, what sort of reaction do you get? Do people in bars try to fight you?
More people would rather come up to me and have a chat about my fights or have a picture than punch me in the face! I've got a really good set of fans so I've never had any issues. I don't worry when I go out, put it that way. It does happen to others though. I've heard some boxers say they get people offering them out a lot.

What one thing would you change about yourself?
I'd stop the ageing process! I'd like to stay this age for the rest of my life. As you get older, things get harder. I'd happily stay like this forever!

PICK ON YOUR OWN SIZE, FURY!

Haye is 6in shorter and around 40lbs lighter than Fury – but has fought seven more times.



"Best of three: boxing, thumb war then *FIFA 14*. OK?"

"After all this, want to do Nando's?"

Fury: 'Haye's a sworn enemy!'

Tyson on why his opponent bores him rigid!

Hi Tyson! How's preparation going for the big fight?
Well, I was enjoying myself in Belgium and Holland for a bit before coming home to relax and unwind for the last few weeks. I've been training abroad for my last four fights and it's working. It gets me away from things so I can just go out there, train and return a Trojan!

What worries you about fighting David Haye?
As long as he doesn't try to touch me up, I'll be alright. He's got power and ability, but he's no more dangerous than the next heavyweight. We can all take you out with one punch. It's nothing new.

You said that you sense this fight could be a stinker...
Well, if he doesn't want to fight, he doesn't want to fight. But if he does show up then it'll be good for the crowd. If he tries to hide, it'll be very boring. People are paying good money, and they want to see knockouts, blood, everything.

At the press conference, you said you were scared of him. Did you mean that?
I'm not scared. He doesn't really interest me. I can't be bothered doing the usual bullsh*t, like looking into each other's eyes and that. I'm not a conventional boxer so I don't do the things conventional boxers do.

Will you shake hands with him after the fight?
Nope. I don't want to shake hands before or after the fight. I don't dislike him, but he's a sworn enemy. He's trying to take food out of my family's mouth, and he's standing in my way.

Who's next if you win?
After one more fight, I want Wladimir Klitschko, and if he doesn't want to fight me, I want Vitali [Klitschko]. If he doesn't want to fight me... then I'm f**ked!

Who do you rate less: David Haye or Audley Harrison?
I'd say Haye because at least Harrison takes his punches rather than just whine about his little toe [when he loses].

Haye was a cruiserweight. Do you think he's a bit of an imposter in your division?
Yes. As soon as he fought a decent heavyweight he lost. He's got no chance against me. I even offered to do a "winner takes all" scenario, but he turned it down because he knows he's going to lose, and therefore he wouldn't get any money!

There's a YouTube clip of you hitting yourself in the face. Are you embarrassed by it?
I've punched myself and embarrassed myself loads of times so it doesn't matter. Millions of people have seen that so it's just made me more famous!

- David Haye vs Tyson Fury will be screened live and exclusively on Sky Sports Box Office on 28 September. For more info, visit hayemaker.com or follow David Haye on Twitter – @mrdavidhaye

He's the voice of the fans – and he's only in *Nuts*!

"You! Yes, you! You look delicious!"

It's time for Suarez to pay Liverpool back!

The United game is the hitman's chance to atone for his mistakes!

LUIS SUAREZ returning for Liverpool in the Capital One Cup is fantastic, but maybe not so much for Manchester United though! Coutinho is a big loss, but the Uruguayan returning solves any problem Brendan Rodgers could've had.

I've said time and time again that Suarez owes Liverpool a lot after they've stood by him despite his misdemeanours. This is his chance to really come in and make an impact against a United side that hasn't made the best start.

David Moyes wasn't happy with the early season fixtures he was handed, and to be given this one in the last draw – with the added spice of Suarez back from suspension – will make his life really difficult. But don't forget that Liverpool have already beaten United once this year, so they'll be oozing with confidence. Not that I expect United to be such pushovers this time!

Torres was coming on

Jose Mourinho has broken the golden rule: don't go back!

JOSE MOURINHO thought it would be easy returning to Chelsea, but the shock defeat to Basel and Abramovich storming the changing room is not the only problem The Special One has to overcome.

Jose's real dilemma is that his squad is too offensive, which just doesn't suit the defensive style he's conquered the footballing world with. Mourinho has always built his teams from the back. Yes, he had a few attacking gems, but the abundance of forwards right now is hurting him, and it's hard to find the balance.

He has the abilities to fix it, and it's just one of those things you have to adapt to. However, he's broken my golden rule: never go back. I did it with Stoke as a player and manager and you shouldn't do it – let's hope he can buck the trend.

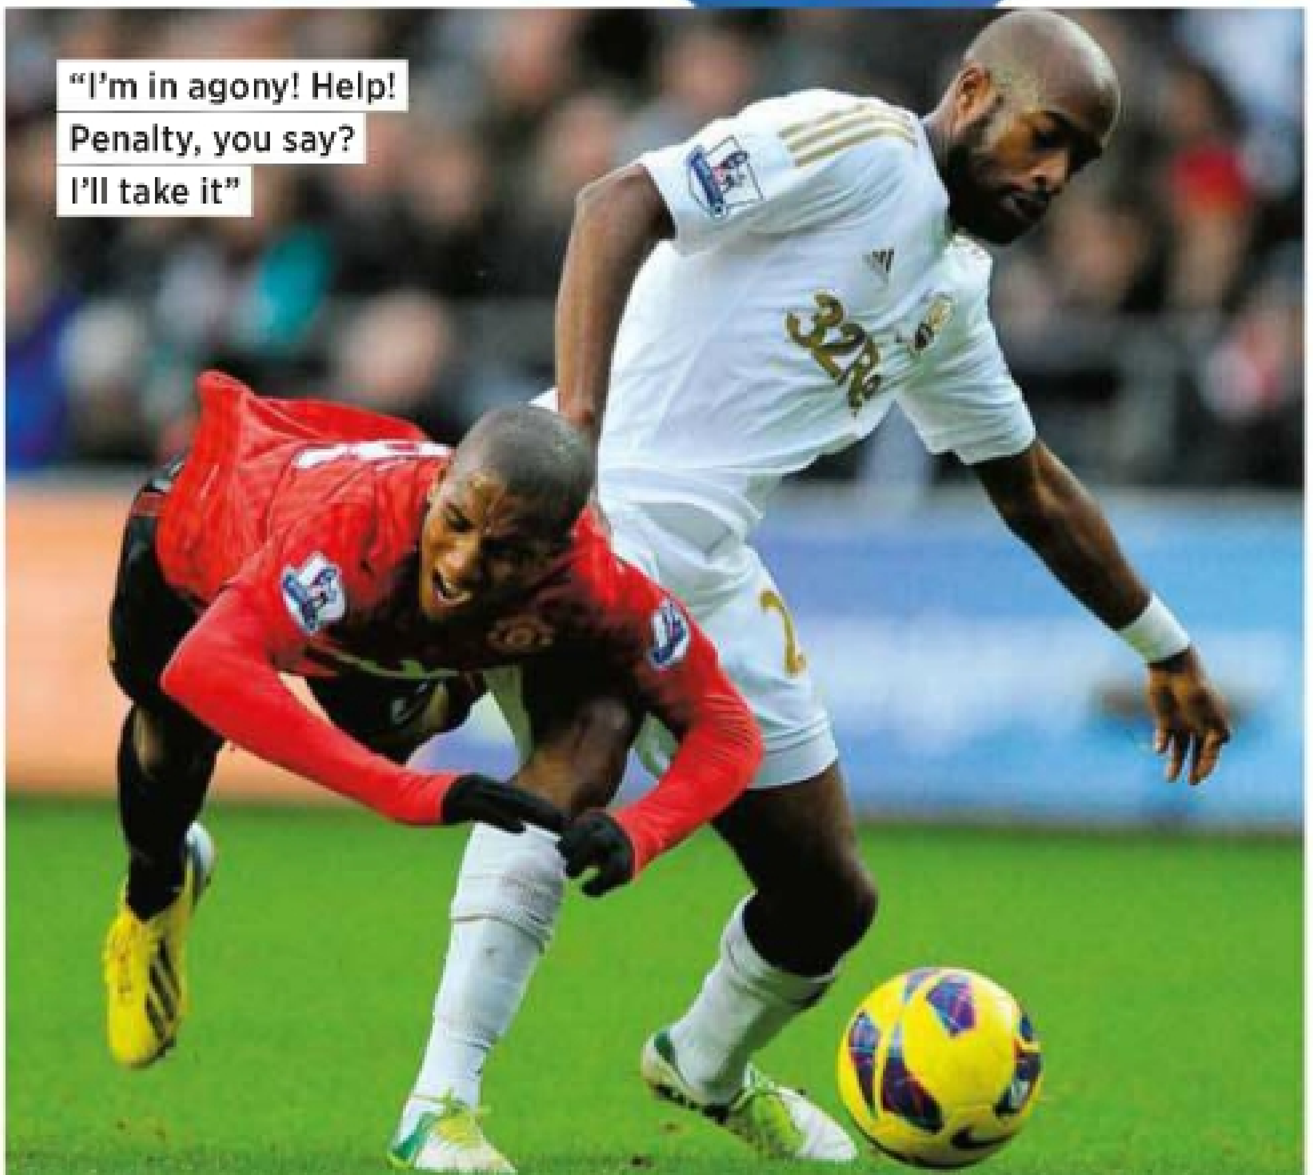
KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

RONNY AND BALE!
It's great to see the world's two most expensive players link up to create and score goals. They'll form a top partnership, and it'll be great for the world to see!

UNBELIEVABLY BAD!

INJURIES!
The congested fixture list with Premiership, Europe and Capital One Cup has seen plenty of injured players. Let's hope the stars aren't out for too long!



"I'm in agony! Help!
Penalty, you say?
I'll take it"

Divers beware, you will be hammered and destroyed!

DAVID MOYES was brilliant when he came out and said he'd be having words with Ashley Young about his dive.

Players who fake being fouled will think otherwise because of this publicity. The bar has been set: divers will be hammered and destroyed.

Red cards for divers may not be the best solution because it's like pretending it's a new issue. I've played with clever pros who – in a similar situation to Young – waited longer because they knew the defender could jump in, giving away the pen. They weren't different to Young – just smarter. It's only the dramatics which have brought it into the spotlight.

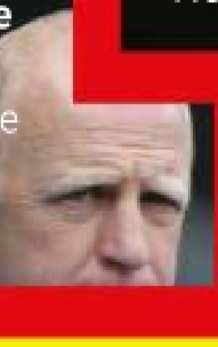
"Quote me on that!"

This week's biggest match debaters!

"The ambition of an England manager should be to become England manager"
How does that work, Graham Taylor?

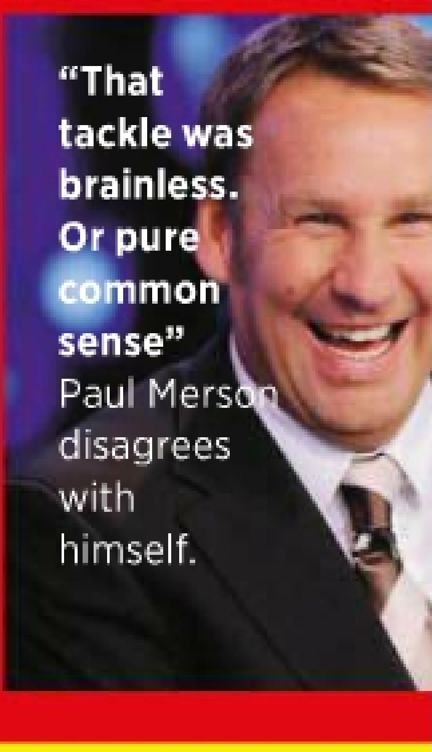
"Players are the same as women. If you expect too much of them you can wake up in the morning and get a big shock"
Is Martin Jol sleeping with his players?

"Sheffield United are 1-0 up but they really should be leading"
Iain Dowie puts his foot in it.



"I made a success of being a failure"
How is that possible, Neil Warnock?

"That tackle was brainless. Or pure common sense"
Paul Merson disagrees with himself.



OO-ER SOUNDS A BIT RUDE CORNER!

"Gerrard never bashes it"
Stevie G isn't into self love, says Souness.

"None of my players say, 'squeeze, hold, drop, come close'"
Sounds like Paolo Di Canio wants attention.

EXCLUSIVE!

Tottenham vs Chelsea big-match special!

Brilliant BBC pundit Jonathan Pearce drills down into the Spurs vs Chelsea title clash!

THIS WEEK sees Special One Jose Mourinho and his former apprentice AVB square-up for the first time in the Premier League, in one of this season's title challenge showdowns. We asked BBC footy expert Jonathan Pearce what he thinks of each side's chances.

● Spurs vs Chelsea is on Saturday 28 September on BT Sport/HD at 12.45pm.

PERFECT MATCH!

Jonathan began work on *Match Of The Day* in 2004 – the year Mourinho first joined Chelsea.

CAPITAL CLASH!

FACT!

CHELSEA IN CHARGE!

In the last five meetings between the London rivals, Chelsea have come out on top, winning two, and drawing three. Chelsea's biggest win of this run was their 5-1 triumph in an FA Cup semi-final in April 2012.

FACT!

BIG-SPENDING SPURS!

In a push for the title, both clubs have broken their piggy banks. However, it's Spurs who've spent the most, shelling out £100m on seven new players. Chelsea, meanwhile, "only" spent around £63m on their new signings.

"Wow, Kyle – the stitching on your socks is just heavenly!"

DEFENDERS!

SPURS

"Six clean sheets in their opening seven games show how mean Spurs have become. Hugo Lloris is one of the best goalkeepers in the world. Ahead of him, individual mistakes are being cut out. The hugely committed Michael Dawson is more secure, while **JAN VERTONGHEN** is top-notch. The return of Danny Rose after his spell on loan at Sunderland has added pace at left-back. Kyle Walker thrusts forward dangerously but can be caught out positionally. Younes Kaboul's recovery adds strength. They're a very difficult defence to breach at White Hart Lane."
DEFENSIVE RATING: 8/10

CHELSEA

"Keeper Petr Cech isn't as clinically decisive or dominant as he used to be. Will Thibaut Courtois ever be recalled from loan and given a chance? They're still over-reliant on **JOHN TERRY** for leadership. The clean sheet he organised at Man United showed they can still be reliable. The defeat by Basel without him highlighted flaws. Ashley Cole's still one of the best left-backs around. Gary Cahill has improved. Branislav Ivanovic is underrated. But David Luiz is too much of a free-spirit to be a Premier League defender. Suspect pace."
DEFENSIVE RATING: 7/10

MIDFIELDERS!

"New signings have strengthened Spurs here. Paulinho is a goal-scoring box-to-box athlete. **CHRISTIAN ERIKSEN** adds the flair they've missed since Luka Modric left. Etienne Capoue has added meat and muscle. Mousa Dembele is so gifted, but I was disappointed to see him playing in a deeper role against Swansea. He needs to be free to create. Andros Townsend has started the season well. Sandro is a fine passer but isn't fully fit. Gylfi Siggurdsson can come off the bench to score vital goals. But they miss Bale's gliding runs and thunderbolts and haven't gelled fully."
MIDFIELD RATING: 7/10

"If it ain't broke, don't fix it! This has been Chelsea's most consistent area for the last two years. The arrival of André Schurrle, Marco Van Ginkel and Willian add potential and class, but they haven't settled yet, with Jose Mourinho rotating to find his best blend. Ramires and Frank Lampard are the best holding pair with Eden Hazard, Oscar and **JUAN MATA** still my preferred trio ahead of them for a furious derby like this. Mata was brilliant in the 4-2 at the Lane last season, scoring twice. He must start. If the Chelsea midfield fires, Spurs will be in trouble."
MIDFIELD RATING: 7/10

STRIKERS!

"There's no disguising Spurs have missed Gareth Bale's match-winners like the one he got when they last triumphed in this fixture in April 2010. **ROBERTO SOLDADO** will score regularly from free-play if they get the ball to him in the right areas. For this, though, Jermain Defoe would be a better penalty-box predator. AVB might regret not having Emmanuel Adebayor in the squad. He's troubled Chelsea in the past. You have to go back to March 2008 and the amazing 4-4 draw for the last time Spurs scored freely against Chelsea. But I can see them nicking one."
STRIKER RATING: 6/10

"Critics say that Romelu Lukaku is better than their other strikers and they shouldn't have sent him out on loan. I don't agree, although his time will come. Fernando Torres isn't the player he was at Liverpool, but he's asked to play in a different way at Chelsea, bringing midfielders into play rather than operating on the shoulder of the last defender. **SAMUEL ETO'O** is still making the sort of runs that have brought him over 300 goals. This will be his big-game stage. Demba Ba needs a run of fitness and games. They'll find Spurs hard to crack."
STRIKER RATING: 6/10

MANAGERS!

"**AVB** is putting together a squad capable of challenging for the title, let alone a top four place. He's tightened the defence, assembled a balanced, talented midfield and now needs to work on sharpening the finishing. They're creating enough chances – they averaged nearly 15 shots in their opening four league games, but he knows they haven't been clinical enough. He'll have to overcome the mind games that his old mentor will play in the build-up, but how he'd love to put one over Mourinho. He has his team a little further down the road than Jose does."
MANAGER RATING: 8/10

"We've had no thunder and lightning yet from the returning Bridge messiah. He's more pensive as he tries to piece together a consistently winning team from his old guard and newcomers. The draw at Old Trafford last month was a quiet success built on typical **MOURINHO** organisation. But the Champions League defeat by Basel last week showed there's serious work ahead. This is the sort of game to ignite his season, though, and he'll be holding the touchline touchpaper. He's lost just one of ten games against Tottenham. I can't see him losing this."
MANAGER RATING: 9/10

Verdict:

SPURS VS CHELSEA 1-1
"Spurs will start brightly under the sorcerer's apprentice, with Dawson netting from a set-piece. But Mourinho will conjure an equaliser from a striker."

Finally Revealed! ***Newly Discovered Sex Secret*** **That Can Make ANY Man...**

Last Over 30 Minutes In Bed

My name is Jack Grave and I used to last only 10 seconds in bed.

And the women I slept with hated it... They rejected me, cheated on me and treated me like dirt.

But *all that changed* when I accidentally stumbled across a sex technique that made me last over 30 minutes in bed.

This technique wasn't something I'd read about in a magazine, in a book or seen online and **it's something you'd never expect**...

...But since using it I've ended my premature ejaculation. Plus I now give women multiple intense orgasms and they keep begging me for more.

I'm now on a mission to teach other men what I discovered. For a limited time *I'm revealing this secret sex technique for FREE in a video on my website.* To watch it, just follow the link below now...

What Others Are Saying...

"I started with a 5 minute increase and slowly progressed along and now I can go at it for 45 mins and aiming for the 1 hour mark"

"I tried the ******* [covered in video] technique Saturday and it worked like a charm. My girlfriend was very satisfied thanks"

"The first time I had sex after... I lasted over 20 minutes"

"The last two nights in a row, I have given my wife incredible orgasms and she's told me they were the best she's ever had... Both times I've felt completely in control and never even got close to climax until I was ready to, I've never seen her so utterly happy and enjoying sex!!"

"Lasted from normal of 6-7min to almost 50min today"

Follow the link on the left to discover how they did it...
